IMPORTANT INFORMATION

In order to make choices about your health care coverage and treatment, we believe that it is important for you to understand how your plan operates and how it may affect you. In an ever-changing environment, the information can never be complete and we urge you to contact us if the information in your Summary Plan Description, Certificate of Coverage or other materials do not answer your questions. Further information is available at www.myuhc.com.

1. We do not provide medical services or make treatment decisions. We help finance and/or administer the health benefit plan in which you are enrolled. That means:
   - We make decisions about whether the health benefit plan you chose will reimburse you for care that you may receive.
   - We do not decide what care you need or will receive. You and your physician make those decisions.
2. We may enter into arrangements where another entity carries out some of our duties, but those entities must operate consistently with our commitment to your plan.
3. We may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable.
4. We contract with networks of physicians and other providers. Our credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.
5. Physicians and other providers in our networks are independent contractors and are not our employees or agents. We do not control nor do we have a right to control your physician's treatment or plan.
6. We may enter into agreements with your physician or other provider to share in the cost savings that our approach may generate. We encourage providers in our network to disclose the nature of those arrangements with you. If they do not, we encourage you to talk to your physician about these arrangements.
7. We encourage physicians to talk with you about medical care you or your physician think might be valuable.
8. We will use individually identifiable information about you as permitted by law, including in our operations and in our research. We will use anonymous data for commercial purposes including research.

Statement of affirmation and authorization to obtain and disclose information in connection with eligibility for medical coverage.

I (we) request the indicated group medical coverage for myself and, if the plan provides, for my dependents. I authorize any required premium contributions to be deducted from earnings.

I (we) authorize all providers of health services or supplies and any of their representatives to give the following to the HMO/insurance company(ies): any available information about the medical history, condition or treatment of any person named in this request. I (we) authorize the HMO/insurance company(ies) to use this information to determine eligibility for medical coverage and eligibility for benefits under an existing policy.

I (we) also authorize the HMO/insurance company(ies) to give this information to its (their) representatives or to any other organization for the reason notified above. I (we) agree that this authorization is valid for 24 months from the date of this form. I (we) know that I (we) have the right to ask for and to receive a copy of this authorization.

I understand that the Certificate of Coverage or Summary Plan Description and other documents, notices and communications regarding my health benefit plan may be transmitted electronically.

I (we) have not given the agent or any other persons any health information not included on the Request for Medical Coverage. I (we) understand that the HMO/insurance company(ies) is not bound by any statements I (we) have made to any agent or to any other persons, if those statements are not written or printed on this Request for Medical Coverage and any attachments.

I have a continuing obligation to report changes in health status (e.g. received medical advice, diagnosis, care or treatment) after I sign the enrollment form and before receipt of my identification card.
